

We Camberwell

Get involved in your community!

Have you ever thought of using your spare time to get more involved in the place you work or call home? We are looking for anyone who has an interest in Camberwell, either as a resident, someone who works locally or anyone who visits Camberwell...

Camberwell is a thriving community and here at the Volunteer Centre Southwark we want local people to understand how they can volunteer their time and skills to make it an even better place to live and work. 'We Love Camberwell' aims to make everyone aware of the opportunities out there to better the Camberwell area through not only general volunteering but work experience opportunities, getting your local citizens' views across and gaining a

greater understanding of the local area. Volunteering is a great way to give something back to your community and meet new people at the same time. We invite you to explore the opportunities that are available to you and to also come and find out more at one of our free 'Get Involved!' workshops on various different topics...
